

Caterina Håland Gaeta

Partner (H)

Caterina Håland Gaeta is specialised in EU- and international law, criminal law and litigation. She has special expertise within Norwegian criminal law deriving from European regulations, especially in the field of market abuse - insider trading and market manipulation, environmental crime and corruption.

She has heavy expertise within criminal law and business crime litigation. Caterina Håland Gaeta frequently conducts cases in court, especially as defense lawyer in criminal cases. She has acted as defense attorney in several of the most important business crime cases in Norway the last few years.
