Tor Anthon Christiansen is a part of our construction law team – a team he used to lead. Tor Anthon is specialised within construction law and general contract law, and has extensive expertise as a legal adviser and litigator for contractors, builders and consultants. Tor Anthon has among other things worked extensively with major infrastructure projects for road and railways (tunnels, bridges etc.). He also has longtime expertise in the power industry, other project-oriented industry together with processing industry and fabrication contracts.

He assists corporations all over Norway and also assists a range of foreign corporations located in Norway.

He hosts a number of courses and seminars in standard-form contracts and other construction law topics, among other things for Standard Online, Juristenes Utdanningscenter and EBA Telemark Vestfold Buskerud (Norwegian Contractors Association).
